•Once I get the passport, I will leave America! I will leave!

•I will make a widow out of you! Mark my words; I wouldn't be Omar if I do not make a widow out of you...just wait until I get the passport! You will get a phone call with news of my death! Just wait and see! I will make you regret every minute you disobeyed me! [short pause] I'm just waiting for the passport!

•...and you will get a call on the phone about my death....mark my words, you will get a phone call telling you "Omar died"

•I will not stay in America. Once I get the passport, I will go to Syria.

•...no, no, I am going to Syria, mother! I will go to either Syria or Iraq.

•I am not wacko! I am not wacko. I am speaking the truth! I will travel to Syria once I get the passport...Iraq or Syria, okay? I want to blow myself up!

•I want to blow myself up! I want to travel [overlapping talk] with the mujahidin [overlapping talk]. I want to travel to be with those who are against America! [overlapping talk] I am against America!
